

# Core 4" Rectangular Multiple Adjustable Downlight/Wall Wash - 2 Cell

Formerly known as 1240AW

Recessed Adjustable Multiple Aperture (Cell)

## The Core Family

Welcome to the Core line of fixtures. The family is filled with a rich diversity of options while keeping classic forms. This member of the family allows multiple combinations of Accent/Downlight and wall wash orientations in the same fixture. If 3 cells are needed in a specific combination, just ask. We can most likely make the modification. With many source, driver, control and finish options, including wood, this wall wash delivers a 3.7:1 uniformity from top to bottom of the wall along with 4 beam spreads in the adjustable downlight.

| <p>All measurements are delivered or derived delivered lumens at 3000k . For other CCTs use the following multipliers: 2700 - 0.95, 3500 - 1.02, 4000, 1.03. Values are based on a single head Core 4" square wall wash (CR4WW-SF). Multiple heads will deliver more light and will need to be accounted for individually in calculations.
