

Scope Wonder

This is simply a great performing wall washer. With a 3" aperture sitting completely recessed, this fixture pushes the light all the way to the top of the wall. Providing a 2:1 vertical illumination ratio from top to bottom on a 10' wall, we challenge you to find anything better. The Scope W 3" wall wash is part of larger Scope Wonder downlight collection providing an incredibly wide selection of finishes, mounting options, sources and technology including the release of our INK tunable white source in 2 dynamic ranges.
