

The Yashar Family

Welcome to the Yashar Low Voltage Scope Vardi track accent light, for use with our 48 volt low voltage track. The accent light, a derivative of the Scope Vardi Monopoint, is the smallest head in our track offering. It features integral drivers mounted in the track adaptor, including 0-10 volt, and DALI dimming options. Sources include static white LEDs in a variety of color temperatures, as well as our proprietary Ambient Dim chips. In addition, all of the finish options available in the Monopoint are available in the Yashar version.
